

### Transition 101: What We All Need to Know About Transition from High School for Students with Significant Disabilities

An overview of the current status of employment outcomes for youth with intellectual & developmental disabilities in Kentucky, key steps in the transition process, laws, agency roles, types of employment & examples of measurable goals for transition-age youth. Includes a series of interactive, guiding questions throughout.

2 CRCC credit hours

### Transition 102: Important Predictors for Post-High School Success

Describes the strongest, evidence-based correlates of post-school competitive employment for youth with intellectual & developmental disabilities. The module discusses additional variables related to successful transition for students with significant disabilities, and highlights Kentucky resources available to put these predictor variables into practice.

2 CRCC credit hours

### Transition 103: Endless Possibility—Preparing High School Students w/ Disabilities for Successful Transition to Employment

Discusses how to prepare students to move from high school to employment. Also learn how support organizations can help with transition, and how Kentucky has used opportunities like the Workforce Innovations Opportunities Act (WIOA) to support youth with disabilities.

3 CRCC Credit hours

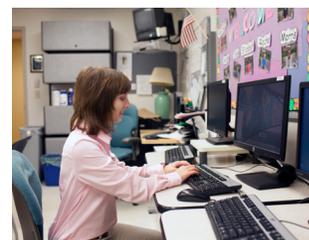

### Benefits 101: A Guided Study of Your Own Situation

Benefits 101 gives an overview of how earned income may affect eligibility for an entitlement to social security disability benefits and supplemental security income.

*"I took this module a few months before my son turned 18, and it was the first time I actually understood the math for how income from work and SSI could fit together."*

1 CRCC Credit hour

### Family Engagement 101: For Parents of School-Aged Children with Disabilities

This course focuses on setting goals for employment from an early age, building skills, preparing for employment, and creating and sharing a vision for the future.

FREE! Continuing Education Credit also available in EILA and CRCC.
